

Illuminate

with Oil Paint

Classes with Nancy Taliaferro Faulkner

Explore your creative imagination through the beauty and richness of painting with oils. Discover and play with the magic of color mixing, confident expressive brushwork, and focus on visually illuminating the subjects, ideas, and images that resonate with you personally. Classes are designed for the beginner as well as the experienced painter.

Course Highlights

- creating atmosphere, exploring edges and values
- in depth color mixing and strategy
- learn to draw by connecting shapes
- the magic of transparent glazes
- focused individualized instruction

Nancy is a true master, both as an artist and a teacher. I learned more from her in one class than from others in many sessions. Patient and empowering, Nancy quickly accelerated my painting level overnight. Studying with Nancy is a must for any one truly interested in taking their work to the next level.
